## MISSISSIPPI BUSINESS EMERGENCY OPERATIONS CENTER

*I'd like to personally thank each of you  
for your partnership with the Mississippi Business Emergency Operations Center.*

### **WELCOME!**

*As Mississippians, we're known across the country for extending hospitality to those who visit, those who stay and most certainly to those in need. Standing on tradition, the Mississippi Business Emergency Operations Center strives to provide disaster-specific communications from MEMA connecting the appropriate resources during the response and recovery from an emergency or disaster. There is no cost however, any purchases made through the MSBEOC will be on a case by case basis and does not qualify your business as a vendor for the State of Mississippi.*

*In closing, I encourage you to review the Mississippi Emergency Management Agency's website for hurricane preparedness tips and COVID-19 updates.*

*I look forward to working with you.*

*If you have any questions, feel free to email or call me at **private.sector@mema.ms.gov** or **(601)933-6652**.*
